Traveling with Howard Krug Travels

At Krugsters we believe in small private customizable tours, where you choose where to eat supper, shopping and have a voice in the itinerary. Each trip we promise to pay attention to the three things we think you will value.

Krugsters Worldwide believes there are three things each traveler wants.

1. Clean comfortable place to stay that is reasonably priced.
2. Safe travel and cheap flights with a knowledgeable tour guide, who has been to the regions before.
3. A flexible itinerary that allows choices in eating and time to spend shopping or visiting a site in a city not on the original travel itinerary.
